PROFILE

Computer Science student with a strong interest in Artificial Intelligence, Machine Learning, and Deep Learning. Currently developing practical knowledge in Python programming, data analysis, and machine learning using Scikit-Learn and Pandas. Seeking opportunities to strengthen technical skills through practical projects, internships, and real-world AI and software development experience.

EDUCATION

Nahda University

Oct 2024 – Jul 2028

Bachelor of Computer Science

Faculty of Computer Science

TECHNICAL SKILLS

- **Artificial Intelligence:** AI Engineering, Machine Learning, Deep Learning
- **Programming:** Python, C++
- **Machine Learning:** Scikit-Learn
- **Data Analysis:** Pandas, Data Analytics

COURSES & TRAINING

Python Programming Course – IEEE Student Activities

Dec 2024 – Jun 2025

- Completed structured training in Python programming.
- Developed foundational programming and problem-solving skills using Python.

C++ Programming Course

Mar 2025 – May 2025

- Completed training in C++ programming fundamentals.
- Developed foundational skills in programming logic and problem solving.

AREAS OF INTEREST

- Artificial Intelligence and AI Engineering
- Machine Learning
- Deep Learning
- Data Analytics
- Python Development
- Software Development

ADDITIONAL INFORMATION

- Currently developing technical skills in Artificial Intelligence, Machine Learning, Deep Learning, and Data Analytics.
- Interested in practical AI projects, internships, and entry-level opportunities in Machine Learning and AI Engineering.
